Description

Nice little kitchen stove
Late 19th century, circa 1880
Painted cast iron
A few rust spots without damage to the solidity of the piece
The paint has lived and needs to be repainted.
No breakage or missing parts.
Interior fireplace in good condition. The oven is in good condition. The ash pan is complete. No heating circle is missing.
This type of small stove - running on wood - was used as a back-up to heat and cook small dishes
Or was used to heat already cooked dishes.

Height: 53 cm
Length: 48 cm
