Description

This glass footed pitcher is a true work of art, created by master glassmaker Delattre, originally from the city of Nancy, known for its rich Art Nouveau heritage. The body of the pitcher displays a harmony of vibrant colors: a subtle blend of flamboyant orange, bright yellow and silver leaves, and deep shades of purple. These hues intertwine, creating a fusion effect, characteristic of artisanal know-how. Each curve and detail of the pitcher is beautifully crafted, capturing the light and diffusing it spectacularly, highlighting the transparency and liveliness of the blown glass. Delattre's signature, discreetly engraved on the bottom, confirms the authenticity and exceptional mastery of this object, emblematic of the Art Nouveau movement in Nancy.
