Description

Very pretty little oak wardrobe, originally from the Vosges, work from the beginning of the 19th century. Louis 15 style, with scrolled feet, movement in the door panels. Very good condition, beautiful patina. The interior is padded and fitted out as a half wardrobe. As a result, it cannot be dismantled, unless the padding is removed. The back is mounted with horizontal fir boards, typical of the Vosges. Beautiful carved ornamentation in the doors and on the uprights at the top and bottom, A little gem!
