edition particularly special are its fold-out engravings, which depict intricate diagrams of celestial movements, planetary orbits, and geographic phenomena. These detailed illustrations add immense visual appeal and educational value to the book.

The leather binding with gilt lettering and flourishes on the spine reflects the era's dedication to book craftsmanship. The black and red ink used in the title page further accentuates its aesthetic and historical significance.

Measures: Height: 20.5 cm

Width: 13 cm

Thickness: 4.5 cm

Condition Report: The book shows signs of age with moderate wear on the binding, including minor scuff marks and slight fraying on the edges. The pages have some foxing, particularly on the outer edges, but remain intact and legible. The fold-out engravings are in good condition, with no major tears or discoloration. Overall, the book is well-preserved for its age.
