Description

This antique German carved wood sculpture is a stunning piece of religious art that dates back to the 16th-17th century. The intricate details of the statue showcase the skill of the carver, making it a valuable addition to any collection of antique religious art. The statue is made from high-quality wood and has been well-preserved over the years, making it a great example of how art can endure the test of time. The statue is an original piece and is believed to have been created by a religious carved sculpture maker. It features a religious theme, making it a perfect item for display in a church or other religious setting. The statue's age is estimated to be between 1550-1600, and it is believed to have been made in Germany. This antique religious statue is a must-have for collectors and
