Depth : 13

Description

A 18th century German giltwood & carved religious fragment Immaculate Conception Crafted in Germany in the 18th century, this giltwood and carved fragment depicts the Immaculate Conception. The intricate details and wood make this a must-have for any antique lover. The piece is an original, authentic antique carved by a skilled artisan. Its pre-1800 age and religious subject matter make it a unique addition to any collection. The Size is 32 cm x 18.5 x 13. The piece seems to have been adapted at some stage, possibly in the 18th and 19th century. The condition is very good and we have had it cleaned and sympathetically polished and is ready to display.
