Oil On Panel, View Of A Bridge, 20th Century

320 EUR

Period : 20th century

Condition : Très bon état

Material : Oil painting on wood

Width : 24 cm

Height : 32.5 cm

Description

This little corner of nature, nestled in the countryside of southern France, seems pleasant. An old bridge spans a small stream flowing among light-colored rocks. The place is shaded and the trees in the background suggest the calm that must have reigned when the painter sketched this charming landscape. The framed painting is in very good condition.
