### Description

This stunning Henri II style wall clock, made in France circa 1880, is crafted from walnut wood and decorated with beautiful wood carvings that reflect the refined craftsmanship of the period. In addition to its elegant timekeeping function, this clock is equipped with a thermometer on the front, making it both decorative and practical.

With dimensions of 50 cm (width), 20 cm (depth) and 100 cm (height), this clock adds a touch of sophistication to any professional space.

Add this exceptional piece to your collection to combine beauty and functionality in your home.

Please note: Business to Business only.
