Description
-------------

Remarkable pair of black ink washes from the first half of the 19th century, around Dubufe, illegible signature on one of the two. Excellent condition, very high quality. I unframed one of the two to be sure that they are not lithographs. They are indeed originals. The pair is presented in their original frames in wood and gilded stucco. Some accidents. Dimensions of the black line alone, 26.5 cm x 21.5 cm. In their frames, 47.5 cm x 41 cm.
