Description

Peach moonstone, cognac diamond and red Agate earrings. This pair of earrings features a peach moonstone in cabochon shape mounted on an articulated support in 18 carat rose gold. It is separated from the red agate by a brilliant-cut cognac diamond. The last part of the earring is in the shape of a drop of red agate. Length: 4.50 cm Width of the peach moonstone: 1 cm Weight of the earring: 6.3 grams Total weight: 12.6 grams 18 carat gold weight: 4.10 grams These earrings are very comfortable to wear and hold very well on the ear thanks to the studs (which can be removed) and the clips. The attachment is in 18 carat gold. This pair of earrings can be worn on any occasion, during the day or in the evening. Their soft and light colors make them easy to match. They are in perfect condition.
