Very pretty scene of life, painted on a wooden panel, representing a Provencal woman in traditional dress, on a path in Provence, accompanied by her donkey. Beautiful juxtaposition of slightly curved twin touches that the artist calls "Ondulism". A well-referenced painter with academic training, he travels to many regions, in order to always be in contact with the subject, and is an outdoor painter, producing many scenes of life and/or landscapes. Well signed in the lower left corner "M.Zimmermann", modern frame. Marked on the back with the name of the subject and the name of the artist.

Excellent condition, no break or flaws. Painting made during the 20th century
