

Late 19th Century Brass And Crystal Chandelier, Rococo Style

3 850 EUR

Period : 19th century

Condition : Restauré par notre atelier

Material : Brass

Diameter : 50

Height : 100

Description

An elegant brass and crystal chandelier with 8 lights.

Decorated with various soft coloured crystal pendeloques and floral rosettes.

Very beautiful and decorative are the narrow glass tubes that form a kind of net around the chandelier.

At the bottom of the chandelier hangs a large faceted ball.

Place of origin- Northern Europe

Period- late 19th c. early 20th c.
