

Seat Of Notable Tabwa Congo Drc

1 400 EUR

Period : 20th century

Condition : Etat d'usage

Material : Solid wood

Description

I offer you this superb and rare Tabwa seat. Neighbor of the Luba they willingly take inspiration from it for the female figures, like here, but the long facial and ventral scarifications, as well as the ponytail are very typical of this ethnic group, this face recalls that of the British Museum See [HERE](#). Very beautiful patina of use, height 50 cm. Former Belgian collection Serge Sheer
