#### Description

We are buyers of key collections and collectible keys. Impressive master key, wrought iron, which originally probably opened all the exterior locks of a building, 17th century, a drilled rod, the other solid ending in a button. I never have seen one as long. A bit with a curved profile, with two wide open holes, the other more complicated, also curved with open holes and rounded muzzle with 4 teeth. Width: 4.1cm x length approximately 22cm. Weight: 200gr. Good condition, normal wear. This item is for immediate purchase, payable by credit card or paypal. - eclectic - antique dealers since 1970, Siret: FR 24.430113233. Invoice and Certificate are attached to each of our shipments.
