Description

18th century sideboard composed of a very small buffet opening with a door and a drawer placed on an entablature of columns with a drawer. This set is made of very finely carved oak wood. The upper part is carved with flowers and a very delicate composition with musical instruments in a floral ribbon. The columns of the lower part are twisted. The lower part seems to be composed of old elements from different sources but the whole is coherent. Period mid-18th century. Delivery on pallet by carrier on the ground floor in front of your home, 150 euros in France, 300 euros in the EU and 1000 euros rest of the world.
