

## Beautiful 18th Or 19th Century Pencil Drawing Framed Under Glass Man's Head Signature To Identify

75 EUR

Period : 19th century

Condition : Très bon état

Material : Paper

### Description

This beautiful pencil drawing enhanced with chalk is in very good condition, framed under glass. It is ready to be hung. I have not managed to identify the signature. The beautiful frame, gilded with gold leaf, is not original. It probably dates from the 1960s-1970s. Some reflections visible in the photos are due to the glass, they do not actually exist. Dimensions: 40.6 x 35.6 cm. Fast, careful and very secure shipping.
