### Description

Pair of large Italian processional lanterns in patinated sheet metal. Rich cut-out decoration and presence of all the old glasses; the doors of the two lanterns open in a specular way and reveal the candle holder cups still in place. Very good original condition; with their (removable) turned wooden sticks with traces of their old polychromy. Italian work of good quality and very decorative dating from the end of the 18th century. NB / Possible shipment to France via Colissimo followed: 50 euros.
