Description

Art Nouveau period bean-shaped correspondence table. The top perfectly matches the curved, fretted belt and drawer. The finesse of the wooden gallery of the top ends in an ogee. The white leather is enhanced by the counter-grain frame. The balance of the vegetated lyre-shaped jamb is stunning. The openwork ogee base in the lower part enhances a perfect balance. The curved crotch adds a little more solidity. The set combines functionality, space saving and aesthetics! Delivery possible not included in the price
