### Description

Very beautiful and rare small Louis XV style chest of drawers with door in painted wood or also called Vernis Martin. It is a small chest of drawers with a marble top decorated with gilded bronzes. It is the great artist Victor Raulin who will execute this chest of drawers for a special private order of the time. This chest of drawers dates from the second half of the 19th century. The decoration is magnificent and inspired by the French 18th century. The sides are curved and the top is in marble.
