had established a considerable international reputation. In 1980 his factory employed 120 people and during that same decade he reverted to making one-off pieces which were shown internationally. Following an economic crisis, the factory was closed in 1982. Capron died in 2006, leaving behind a considerable body of work that is recognized worldwide. This piece, in excellent vintage condition, will be a nice addition placed alone or as a part of a collection in a contemporary or classical decoration. A detailed certificate will be provided to the buyer on our gallery letterhead. Key words: Roger Capron / 1960 / Vallauris / Ceramics.
