

## 18th Century George III Period Mahogany Serpentine Chest Of Drawers

3 500 EUR

Period : 18th century

Condition : Très bon état

Material : Mahogany

Width : 95

Height : 83.5

Depth : 56.5

### Description

A very fine George III period late 18th-century mahogany chest of drawers. It features a serpentine molded cross-banded top above four long graduated oak lined drawers, each adorned with original brass ring handles. The top drawer has a sliding writing table top. The chest of drawers remains on shaped bracket feet and is in superb original condition with a wonderful color and patina.
