

Louis XVI Period Gilded Wooden Mirror

1 900 EUR

Period : 18th century

Condition : Très bon état

Material : Gilded wood

Width : 81 cm

Height : 132 cm

Description

Louis XVI period carved and gilded wooden mirror. Elegant model with rectangular frame carved with heart-shaped rays and pearls, surrounded by beautiful trimmings. Fine openwork pediment decorated with scrolls of foliage crowned with doves. Central medallion with two doves and lion's muzzle. Beautiful period gilding. Old but later mirror in good condition. Plank background. Finely carved work from the end of the 18th century.
