Description

Pair of vintage lamps from the 20th century in lucite and silver metal. Very interesting pair of elegant pilaster-shaped lamps with their openwork shape allowing the reflections of light. Pair known by its designer David Lange who created this model in the 60s and 70s. Possibility of symmetrical positioning for a beautiful decoration to create two very decorative light points. Possibility of sending in France and around the world by secure and insured package. Invoice and certificate provided.
