Description

Bronze sculpture from the 19th century representing a young winner by Adrien Étienne Gaudez. Famous sculptor from the 19th century 1845 to 1902, he was a great creator of monuments following the war of 1870. He is represented in many French museums. Here is a very beautiful bronze with a magnificent original patina representing a young athlete, an allegory of victory bearing on the base a cartouche with the words Hors concours, Le Vainqueur. Presence of a medallion with an inscription, the jury of 1905 to its president L Carnoy. Very interesting large piece, height 64 cm, dynamic in its attitude and remarkable for the quality of the work visible in the details and the expression of the face. Possibility of sending to France and around the world by carrier or by secure and insured
