Description

This is a 19th century Asian side table that embodies the elegance and craftsmanship of this bygone era. Its finely carved wooden structure features delicate floral patterns, revealing the exceptional know-how of the craftsmen who were able to breathe life and movement into every detail. The granite stone top adds a touch of robustness and refinement, while ensuring the durability of this unique piece. With its dimensions (height 47 cm, length 38 cm, depth 38 cm), this side table is both practical and elegant, ideal for enhancing a living space or for showcasing other art objects. In the 19th century, this type of table found its place in the homes of Asian high society, used to display vases, sculptures or precious objects during receptions. Today, it represents a real treasure for collectors,
