Description

Treat yourself to the timeless elegance of the 19th century with this stunning pair of dark wood Asian high chairs. Standing 90cm tall and 27cm in diameter, these chairs embody the beauty and refinement of traditional Asian craftsmanship. The intricately carved patterns in the wood are a testament to the exceptional craftsmanship of the craftsmen of the time, who created pieces that were both sturdy and delicate.

Each hand-carved detail reflects a commitment to perfection, making these chairs more than just seating, but true works of art. Once used in the homes of Asian high society, these chairs served as thrones of choice for guests at grand receptions or important events. The dark, lustrous wood adds a touch of sophistication and depth, transforming
