### Description

Let yourself be seduced by this elegant pair of 19th century Asian side tables, a true tribute to the traditional craftsmanship of the time. Each table, 66 cm high and 37 cm in diameter, features sumptuous floral motifs finely carved into the wood, testifying to the meticulous know-how of the craftsmen of the time. The carved details reveal remarkable delicacy and precision, giving these tables a unique and refined character. In the 19th century, these side tables found their place in the most distinguished living rooms, serving as a support for precious objects or simply to add a touch of sophistication to the space. Their solid construction and floral design give a warm and authentic atmosphere, making these pieces ideal objects for antique lovers looking for furniture full of history and charm.
