

Napoleon III Light Green Crystal Three-cored Tulip Vase

280 EUR

Period : 19th century

Condition : Très bon état

Material : Crystal

Width : 30 cm

Height : 46 cm

Description

Typically Napoleon III, these glass or pinched crystal cone vases were very popular in the Second Empire and they allowed to create very spectacular decorative bouquets by offering a lot of effect as was the fashion at the time. Here and there, a few small pieces of amalgam not fused during its manufacture.
