

Globe

740 EUR

Period : 20th century

Condition : Très bon état

Material : Glass

Height : 52 cm

Description

Pretty composition of 4 naturalized Madagascar Comet butterflies, moths, a very characteristic and quite rare endemic species. A true object of curiosity, this very beautiful object will fit wonderfully into an ancient, contemporary universe or into a cabinet of curiosities; sober in its composition, the colors and the chic of the Napoleon III globe, oblong shape
