Description

- Oil on canvas. The skill of Russian artists to tell in large oil paintings, without the greatest difficulty, the reality of snow is in line with their empathy for the people. In this immense painting, a rider, probably a partisan, searches for something in his saddlebag, his face red with cold. The immediacy of the painting contrasts with the immensity of the Russian winter. - Dimensions of the unframed image: 85 x 115 cm / 100 x 130 cm with a beautiful matching white frame. - From a private collection in Paris. - Good general condition. Minimal defects. - Galerie Montbaron includes a technical sheet established by a qualified art historian with all its lots.
