Description

Rare earthenware on the theme of the circus and fairground arts.

A gargoulette of Spanish origin representing a white clown all in light clothes, sad as usual, hitting a huge bass drum while a charming circus dog showing off tells him in a bubble that there is no point in crying! The theme is charming and very amusing.

An earthenware container intended for drinking wine. A theme and a fairly rare subject with visible chips in the photos. Work from the beginning of the 20th century with factory marks below.

A beautiful spout object, a fairly rare and interesting subject.
