Description

Ring 18 Carat Gold Cushion Cut Rhodolite
Diamonds

This 18-carat pink gold ring is dominated by a stone called Rhodolite cushion cut. This deep-red stone is set in the center of the ring and held in place by quartes griffes. On either side of the stone, on the band, for 0.40 inch, eight small inlaid diamonds sparkle and add sparkle to the ring.

The ring is beautifully presented in a gift box.
