Description

Nice format, very long, here is a nice view of a cove, where fishermen and their boats come to life on the edge of the coast, with mountains far away. Hand painted in watercolor, it is well signed on the lower left border E.Henry, Émile Henry (1842-1920), laminated on a light cardboard.

No major flaw, just a few spots of insolation, but you have to look very closely to see them. Thank you for looking carefully at my detailed photos, I am not hiding anything.

French working dating from the end of the 19th century, or very early 20th century.

Dimensions: 23.5cm H x 44cm
