

## Sapphire "butterfly" Ring, Gold, Diamond And Sapphire Approximately 1.25 Ct

1 400 EUR

Period : 20th century

Condition : Bon état

Material : Gold

### Description

A diamond, sapphire and 18k gold ring set with an oval shaped sapphire weighing approximately 1,25 ct.

Dimensions of the sapphire : 7.9 x 6.1 x 3.1 mm approx.

Size : 62 (resizeable).

Weight : 6,3 g (18k - 750/1000 - owl).

Good condition but has been worn, so some minor marks on one side of the sapphire, hardly noticeable. The color of the sapphire is intense blue, with some beautiful reflects, especially in day light. The setting is high which allow the light to pass under the stone and reveal its transparency.
