Description

This is a unique design piece by Carlo Hauner. Here are some additional details that might pique your interest: Overview of key features: Storage compartment design: Compartments: The table features four strategically placed compartments that serve both practical and aesthetic purposes. One of these compartments is open and lined with black plastic, which not only adds a touch of style to the design, but also provides a functional space for storing objects or even ornamental plants. Interchangeable lids: Versatility: The top of the table features a glass lid and two wooden lids. Each of these lids is designed to be interchangeable, allowing you to tailor the table to your specific needs and preferences. Practical tray: One of the wooden lids doubles as a tray, making it incredibly convenient for serving.

guests. This functional design element means that the table can easily go from a static piece of furniture to an interactive tool during your evenings with friends.

Aesthetic Features:

Design Line: The darker band along the sides of the table acts as a horizontal divider, which not only enhances the aesthetic appeal of the table, but also creates a light, streamlined profile. This design touch ensures that the piece stands out as a sophisticated statement piece in any room.

Condition: **Vintage Appeal:** Although there are minor signs of wear typical of a 1960s piece, these small imperfections often add to the inherent charm and character of vintage furniture.

This table is in excellent condition and has been well cared for over the years.

Additional Information: **Customisation:** The modular aspect of the table means that it can be easily modified to suit various environments. Whether you want it to function as a centrepiece in your living room or as a practical storage solution in a study, its adaptability is a significant plus.
