Large Glazed Earthenware Dish

600 EUR

Period : 20th century

Condition : Parfait état

Material : Terracotta

Diameter : 44 cm

Description

We present this exceptional dish in the style of Bernard PALISSY from the 19th century, of very large dimensions in glazed earthenware. This dish is decorated with a snake ready to attack a frog. In perfect condition, on the back a mark is inscribed, I do not know the manufacturer, it remains to be identified. We classify this thing in Popular Art. (E24)
