Description

This gilded wood console, topped with a Brocatelle marble with a corbin beak, has a belt decorated with scrolls, acanthus leaves, volutes and a large shell in its center. These elements rest on two curved legs, each of which is carved with acanthus leaf decorations and ending with a volute. This base is joined by a crosspiece with a central sculpture. This wall console will attract attention with the beauty of its marble and its luminous wood. ********* Period: Mid-20th century Excellent condition.
