

A Session Of Imperial Magnetism - Napoleon III 1860

1 100 EUR

Period : 19th century

Condition : Très bon état

Material : Paper

Description

Drawing from the Napoleon III period titled: A session of imperial magnetism. Pencil drawing representing a hypnotist doing an experiment in magnetism or hypnosis in front of 3 characters who remain to be identified. The caricatured characters are most certainly advisors or opponents of Napoleon III. Is the magnetizer Auguste Henri JACOB known as the Zouave? Interesting study to be done on this drawing. 41.5 x 24.5 cm
