Diameter : 30 cm

Height : 69 cm

Description
-------------

Superb large floor lamp base, or floor lamp, in orange tinted glass and satin stainless steel. DORIA LEUCHTEN brand, Germany, circa 1960/1970, known for its original and quality lighting fixtures. Internal lighting provided by 2 E14 bulbs, small screw base + top lighting with E27 bulb. The original foot switch allows 3 lighting positions: the 3 bulbs simultaneously, the top one alone, or the 2 interior bulbs alone, in order to light only the foot....and create a beautiful ambient light. The base unscrews easily to allow the internal bulbs to be changed. This base still has part of a label on the back in worn ink, certainly, but whose rectangular and serrated shape, characteristic, leaves no doubt about the Doria brand. Object in excellent condition, minimal traces on the stainless steel. Sold without
