### Description

Beautiful ball vase decorated with fruits and ceramic vitrifications by the MOUGIN brothers, after a model by Gaston Ventrillon. A very colorful and bright vase with a decoration of a multitude of fruits on a green patinated background in the upper part, and beautiful turquoise crystallizations on a yellow gradient background on the lower part. Note the beautiful ball shape with small neck and small heel, we are in the purest art-deco style. A pretty ceramic in perfect condition. 18 cm in height and diameter, signed by the creators "MOUGIN" and the decorator "Ventrillon" for Gaston VENTRILLON Le Jeune (1897-1982), illustrious decorator. Heavy piece, more than 1.6 kilos. The vase is numbered 172 J with a small L to indicate that this piece was created in Luneville. A very
