

Louis Philippe Period Table

150 EUR

Period : 19th century

Condition : Très bon état

Material : Walnut

Diameter : 113

Description

Beautiful Louis Philippe period table with shutters in solid walnut. It opens in two, and you have the possibility of adding 3 extensions of 37 cm each, making a table that can accommodate at least 10 place settings. It is in very good condition and measures 113 cm in diameter when closed, and approximately 220 cm when open; I only have one extension. Delivery possible
