Description

4 solid woodwork panels in a very beautiful oak height or width 59 cm and width or height 199 cm depending on the installation, thickness 4.5 cm.

In addition to the quality of the wood, their main interest lies in a generous large frame molding on one side (photo 1 to 3 and 7), the other side having another equally interesting design (photo 4 to 6)

Many possibilities of use :
- horizontal or vertical picture frames (photo 1 to 3)
- table or console tops (photo 8,9,10)
- solid and sober double door (photo 11 and 12)
