650 EUR

Period : 19th century

Condition : Bon état

Material : Sterling silver

Height : moutardier 14 cm / salerons 6,5 cm

Description

Set of a mustard pot and four salt cellars on a pedestal, in finely chiseled solid silver, openwork body with arches and threaded edges, hinged mustard pot lid decorated with a leafy handle, scrolled handles, Vieillard hallmark (Department 1819-1838), Grosse Garantie Département and goldsmith's hallmark, crystal glassware, from the 19th century Restoration period. These items are in good condition and are of good quality. Hallmarked see photos (illegible goldsmith's hallmark) / exact name: old woman's head turned to the right (1st title silver). We do not have her little mustard spoon. Please note: the lid handle is very slightly twisted, the glassware does not all sink in completely, some scratches and wear from time, look carefully at the photos. Dimensions Diameter at the neck of the mustard pot 7 cm /
