Small Charles X Period Living Room Table In Rosewood

3 000 EUR

Period : 19th century

Condition : Très bon état

Material : Rosewood

Width : 60.8 cm

Height : 70.7 cm

Depth : 41.2 cm

Description

Small living room table in rosewood veneer inlaid with lemon tree fillets, scrolls and palmettes. The bowl-shaped top opens at the waist with a drawer and rests on four arched legs joined by a small shelf and finished with bronze casters. Charles X period. The proportions and lightness of this small "flying" table make it a piece of furniture that is both useful and practical, with a very limited footprint, and very decorative.
