

Set Of Two Gilded Bronze Photo Frames With "bamboo" Decoration And Business Card Format

150 EUR

Period : 20th century

Condition : Très bon état

Material : Bronze

Width : 19 cm pour le diptyque et 10.5 cm pour l'autre

Height : 14 cm

Description

The bamboo reed used as a decorative element reached its peak at the turn of the 19th century when it was often found for cherry wood furniture and also as a complement, such as these two frames with protruding corners. Emblematic of this period, one is a diptych and the other alone, but they all have the same format for the photo: 9 x 6 cm Shipping in France and internationally, contact me for the terms
