Description

It is ready to be hung. This beautiful watercolor drawing, framed under glass, is in very good condition, except for a small tear at the top left (last photo). It is located in Chalon-sur-Saône. I was unable to identify the signature: drawn by Ant...Jpt... Blouët (or Houët) after Houët. The artist had a very good mastery of his art, this painting was very finely made, around 1800. Dimensions with its frame: 33.7 x 25.7 cm. Fast, careful and very secure shipping.
