Description

Louis XVI style chest of drawers in walnut, dating from the beginning of the 19th century, opening on the front with four drawers, two of which are for the upper row. The top drawers open with a key in working order, original locks. The others open with drop handles. The rounded front uprights are fluted, the rear uprights with projection are also fluted. The sides have two panels. This chest of drawers rests on four "spinning top" feet. Chest of drawers in very good condition, completely cleaned and re-patinated, with small proportions. Please note: no key for the two large drawers. Each request for information by email will be answered, please check spam.
