Tea Service - Limoges- A.vignaud - Art Deco Style.

350 EUR

Signature : Manufacture de Limoges - A . Vignaud

Period : 20th century

Condition : Bon état

Material : Porcelain

Description

1950s Art Deco tea set by the Manufacture de Limoges. A teapot, a milk jug and a sugar bowl accompany 11 cups. Despite the presence of 12 saucers, there are only 11 cups, one having probably been lost. Excellent condition, the set has never been used. The very pale celadon green color, the light touches of gilding, give this service a great elegance!
