Description

Having recently put online two small formats of the same artist, see my gallery proantic, here is a large model of painted panel. Made by Michel Zimmerman, also called Michel Meyer or Michel Toplek, it represents the entrance to the port of Marseille, in the movement he named "Ondulism". Signature in the lower left corner in red, name of the artist and the subject on the back of the panel. Excellent condition, no flaw, I took it out of its frame myself, which is totally ugly. Very little wear, just a few traces of adhesive on the back. Painting made during the 20th century. Dimensions: 46cm x 25.5cm SHIPPING CONDITIONS BELOW FREE shipping to France, European Shipping and payment only, please send me a message..I don't send out of Europe anymore, and no payment out of Europe
