Impressionist - Snowscape Painting

465 EUR

Period : 20th century

Condition : Bon état

Material : Oil painting

Width : 79

Height : 69

Description

An enchanting wintery scene. The artist has beautifully used their oil paint to skillfully capture the snow across the landscape to highlight the vibrant colours created by the light reflecting off the scenery, producing dazzling purples, blues and greens. This painting wonderfully evokes the silence and stillness after a snowstorm, with the glow of the sun beginning to show through the dense clouds. A truly outstanding depiction of light.
